#### A Special Meal

(to the tune of *Mary Had A Little Lamb*)

Jesus shared a special meal,  
special meal, special meal.  
Jesus shared a special meal,  
so many years ago.

He passed around the juice and  
bread,  
juice and bread, juice and bread.  
He passed around the juice and  
bread,  
so many years ago.

We can share this special meal,  
special meal, special meal.  
We can share this special meal,  
with friends we've come to know.

### Discovering: Jesus' Special Meal (Luke 22:7-20)

In November, the Wee Ones are learning about participating in Communion. It is a special meal we have with our church family, just like Jesus and His friends shared together. When we worship, pray, and join in communion together, we are remembering the gift of grace Jesus brings. It is for all people—even children!

#### November Memory Verse

Luke 22:19 (GNB)

Jesus said,  
"Do this in memory of me."

#### Prayer!

Dear God, I'm thankful for all you give: for food, for love, a place to live. I thank you for my family too, and I want you to know that I love you. Amen

#### Bible Time!

Open your Bible to Luke 22:7-20. This story from God's book the Bible. This story is about the time when Jesus shared a special meal with His friends. At the special meal, Jesus asked His friends to remember Him. When you sit down to eat dinner together, remember Jesus. Wonder together about what you remember about Jesus. Ask each other what things remind you of Him.

### Discovering: God Provides (Exodus 16-17 & 20)

#### Play in the Story

November in the Loft is all about how God provided for the Israelites in the desert. We will learn that today God often provides through other people. We can help by giving others what they need. We can remember God provides for us. Read the story in Exodus 16-17 & 20.

#### November Memory Verse

"Give thanks to the LORD for He is good. His love endures forever." Psalm 136:1

#### Art!

Make a thank you card for God with your child. Draw pictures of things He has provided for them. Then pray with your child and thank God for what they drew.

Make a BIG list! This month, make a family list of all the things everyone is thankful for to God. Add to it everyday!

Discovering God's Mission: To Bring Peace & Reconciliation

Before School Blessing

Go in the world.

Open your eyes to see.

Open your ears to hear

the work of God all around you.

The Mission of God is our game, serving others is our...well, this didn't really play out, but you get the idea. God's mission is to make everything in the world good again. In November, the Wonderground will explore how to participate in God's Mission.

**Bedtime Chat**

Encourage your child to have eyes and ears open and ready to see the things God is trying to make right again, and to be ready to join in the mission. Noticing the things God has already made right will lead into conversations of joy and gratitude, just in time for Thanksgiving! Where did you see God at work today bringing shalom?

Was there a situation in your week that needed God's peace?

How might God be inviting you to join Him in bringing shalom to your family?

**Shalom Trees!**

Kids will be making shalom trees for all the Kids Community spaces. What is a shalom tree? It's a tree that has leaf ornaments with items your child can purchase to bring shalom to foster children in KC. Look for them at drop off!

Bring gifts by December 2nd.

**November Memory Verse**

"Pray like this: Our Father in heaven, hallowed be your name. May your kingdom come. May your will be done on earth, as it is in heaven."

Matthew 6:9-10

CLUB 45

A Journal Entry from Cait St. John

Whitney and T.J. Barnes served in the one year old room a few Sundays ago. Whitney led story time by reading The Rhyme Bible story about Samuel listening to God. Sometimes it can be awkward teaching the youngest worshipers because they are not responsive the way adults are, or even the way pre-schoolers are, but they are learning and God is using our time together to build up this generation.

Whitney shared that she loved the prayer that was prayed over the families on Dedication/ Baptism Sunday. At snack time she prayed the body blessing prayer. She paused at the end and her son tuned in and proclaimed, "Amen"! She responded, "So be it", and he repeated after her. Remi knows the words. He listens. And that, I believe, teaches him how to listen and respond to God's still small voice.

The work we do, and the energy we give to our youngest worshipers matters. It makes an imprint on their hearts as a binding message they carry as they grow up. This season I am thankful for the guides/ parents in the JW community who remind me how fruitful this work with children is.
