

Snack Shack KC

Volunteer Opportunities

The Snack Shack KC is looking for weekly, bi-weekly and monthly volunteers to build relationships with the youth of the Argentine District. There are a couple of ways to do this; as a cashier, as a friend or as a youth leader. Through these avenues of service, our goal is to meet students on their level in order to show them the love of Jesus!

Cashier -

As the cashier you are the first impression! Your role in relationship building is greeting every student that walks in. This will help set the tone that this is a place that they are loved, known and belong. You will also help run the cash register.

Friend -

As a friend, your role is just that - to build relationships with the students. This can be done through playing board games, helping with homework or even just sitting and listening to how their day was.

Youth Leader -

Starting in February, the Snack Shack KC will be launching its very first youth group. We will meet on Monday nights from 5:00pm-6:00pm. We will use this time to dig deeper into the relationships that we have built throughout the rest of the week. We are looking for leaders to help run group games, engage with students and lead Bible studies.
